# KLAYMOR

# Annual Sale

KLAYMOR FARMS
Unionville - Ontario

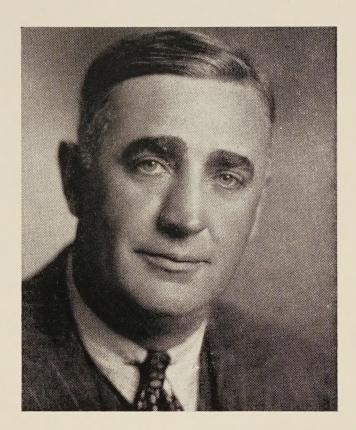

Monday, October 4th, 1954 10.30 a.m. Sharp

# An Invitation . . .

WE TAKE PLEASURE in the presentation of our 1954 Klaymor offering. A perusal of this catalogue offering will indicate that the sale list is not extensive, what we may lack in numbers we have more than compensated in the superb individuality of the animals listed. The smaller offering than usual has permitted us to combine more effectively with our good neighbors at Glenburn Farms, Unionville, Ontario, who will sell in the afternoon of our sale, thereby permitting those attending to be away from home one day less, and at the same time approximately 75 head will be sold at both farms in one day.

WE ARE REMINDED here at Klaymor that this is our 17th Annual Sale. Down through those years we are proud to have made possible a source of supply of seed stock which has continued to improve Shorthorns in Canada and the United States. Twenty-one States have been represented in our sale lists with 76% of those listed as repeat customers. From every province in Canada buyers have likewise been listed from year to year on our list. This record of distribution is a source of satisfaction to us and gives encouragement in that we feel our

productions must have done a job for their purchasers.

PLAN TO ARRIVE on Sunday, the day before the Sale, so that you may be permitted ample time to study the cattle in the pens and paddocks.

OUR HERD BULLS have always been selected with care and judgment with the knowledge that each bull had to work improvement. These sires have included: Collynie Royal Barrage (imp); Aldie Reynoldstown (imp); Klaymor Camouflage; Klaymor Fingerprint; Calrossie Formula and now Chapelton Burvie whose first calves are proof of his worth as a sire.

WE ARE FORTUNATE to be associated with K. C. Gray, Gormley, who will again contribute four select females to the Sale.

W. J. RUSSELL

A glance at the list of annual buyers from these sales is the best testimonial of our willingness to do everything possible to help the buyer ship his cattle home economically by holding or pooling his shipment with others going in the same direction.
- **REGARDING MARITIMES AND WESTERN PURCHASES**—We will gladly hold these cattle until pool shipments can probably be made at the time of our Royal Winter Fair.
